FROM

K. MATTHAN ESQ. B.A.,
Food Controller and Director of Civil Supplies in Mysore.

TO

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith for the information of Government a copy of D.O. No.546/F.S. dated the 11th instant from the Deputy Foodstuffs Commissioner with the Government of India regarding the available stocks of Burma rice. The matter will be placed before the Central Food Supplies Committee at its meeting to be held to-morrow and a reply sent.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.

M.P.H.

D.O. letter No. 546/F.S. dated the 11th June 1920 from the Deputy Foodstuffs Commissioner with the Government of India, Simla, to the Director of Civil Supplies in Mysore, Bangalore.

The Burma Government has recently decided that the amount of Burma rice available for export throughout the current year will not exceed 1,540,000 tons white rice. The Balance out of which India's future demands can be met is, therefore, some 175000 tons. It appears if we may judge from the Burma rice requirements of India during June, that there is a revival of India's demand which is likely to continue for the next 2 or 3 months and if this is the case, this balance of 175,000 tons may be insufficient to meet the full requirements of all the Provinces in India during the remainder of the year. In order that the Government of India, in distributing this balance, be in a position to discriminate between the urgency of the demands of the different provinces, I am to request that you will let me know as soon as possible an estimate of the probable monthly needs of your Province during the three months July to September, together with any especially urgent reasons for supplying them.

OFFICE OF THE FOOD CONTROLLER AND
DIRECTOR OF CIVIL SUPPLIES IN MYSORE,

Bangalore, Dated...17th June.....1920.

Dear Mr. Jacob,

I am in receipt of your D.O. letter No. 546 F.S., of the 11th instant, asking for an estimate of the probable requirements of the Mysore State under Burma rice, during the next three months.

The South-West monsoon rains have so far been very disappointing, and in several Districts, lands have not been ploughed. This is causing considerable anxiety, and prices of food grains have been mounting up during the past fortnight. The demand for Burma rice has therefore increased, especially in the Bangalore City, the Civil and Military Station of Bangalore, and the Kolar Gold Fields. It is on account of this increasing demand, that I have already applied for an allotment of 2000 tons of Burma rice for July. For the next two months also, my estimate of requirements is the same, namely, 2000 tons per month.

I would like to explain that as the Burma rice imports into Mysore are financed by the Mysore Government, and as any imports in excess of actual requirements must land the Government in loss, my indents are always for the minimum requirements as far as one can judge. The estimated quantity of food stuffs required for the year for this State, calculated at the rate of one-fifth of a ton per head of population, is 1,161,000 tons, while the yield of the last rabi and khariff harvests together, amounts only to 955,000 tons, showing a deficit of about 200,000 tons, to be imported from outside the State. But in spite of the fact that inter-provincial restrictions on the movements of rice have been removed all over British India since 1st April last, imports of rice into the State (except of Burma rice) are almost

almost neglible- merchants complaining of difficulty in obtaining railway transport. At the same time there are exports from the State to certain parts of the Madras Presidency and to the Coorg Province which have to get their supplies from the State, averaging 800 tons a month. The necessity for importing from Burma therefore must continue as long as imports from other Provinces continue to be as meagre as is the case at present. I would therefore request that the allotment asked for by me for the three months July to September may be sanctioned without reduction.

Out of 2000 tons per month, 550 tons are for the Civil and Military Station of Bangalore and 450 tons for the Bangalore City, to supplement the local rice and ragi imported into these two areas from all parts of the State. Out of the balance of 1000 tons about 550 tons are required for the Kolar Gold Field, and 450 tons to meet the requirements of mofussil areas. The Collector of the Civil and Military Station has intimated to me that his requirements during August and September amount to 825 tons a month, but I have included only 550 tons in the estimate now given.

Yours Sincerely,
Sd K. Matthan.

C.W. Jacob, Esq., I.C.S.,
Deputy Foodstuffs Commissioner for India,
Simla.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore

Sir,

In continuation of my letter No.13348 of the 26th June 1920, I have the honour to state that I have arranged for the purchase of the July allotment of Burma rice from the firms and at the rates noted below, which were the lowest out of five quotations received.

1,600 tons Whole rice Big Mills Specials from the London-Rangoon Trading Co., Rangoon at Rs 12-13-0 per bag of 164 lbs. nett "c.i.f" Madras

100 tons Broken rice C.2 quality from Mr. Mahomed Ebrahim Moola at Rs 9-12-6 per bag of 164 lbs. nett "c.i.f" Madras

300 tons Broken rice C.3 quality from Mr. Mahomed Ebrahim Moola at Rs 8-1-6 per bag of 164 lbs. nett "c.i.f" Madras.

The above rates do not include cost of insurance of the cargo against deterioration and I have asked the above firms to insure the cargo against such loss, as suggested in para 2 of my letter No.24 of yesterday's date. The cost of this is to be met by us. I request that the above arrangements may be sanctioned and the Comptroller asked to arrange for payment to the shippers through the Bank of

of Bengal, Rangoon, on presentation of shipping and other documents, as per my instructions.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.
